# WHERE WILL MY DONATIONS GO?

## SUPPORT OUR VOLUNTEERS

Our team of hardworking volunteers often need to travel for GA related work, donations enable us to take our work around the UK!

## ALLOW US TO PAY OTHERS

We would love to be able to offer payment to external guests and helpers who have given their time to support our cause. Donations enable us to support them too.

## SUPPORTING CHARITABLE CAUSES

We like to direct any donations to other charitable causes that align with our work and values. In times where we may not need as much income, we will be sure to donate these elsewhere.

## ADMIN COSTS

Donations help us maintain our website costs, educational and campaign resources, merchandise production, social media promotions & any further research we want to fund, or do ourselves.

## FUNDING EVENTS

Putting on physical awareness events rely on an initial income. Donations will help us to keep running safe space events, with any profit made going straight into the next!
